Strongly agree		Neither agree nor disagree		Strongly disagree
1	2	3	4	5

2. I believe that increased use of 'active' modes of transportation (i.e. walking and bicycling) improves public health.

Strongly agree		Neither agree nor disagree		Strongly disagree
1	2	3	4	5

3. I believe that investing in bicycle and pedestrian infrastructure saves people money by allowing them to spend a smaller percentage of their household budgets on transportation; and makes Delaware's economy less vulnerable to disruption from oil price shocks.

Strongly agree		Neither agree nor disagree		Strongly disagree
1	2	3	4	5

4. I support greater state transportation spending on walking and bicycling.

Strongly agree		Neither agree nor disagree		Strongly disagree
1	2	3	4	5

5. A minimum percentage of state transportation funding should be earmarked for development of bicycle and pedestrian infrastructure and facilities.

Strongly agree		Neither agree nor disagree		Strongly disagree
